

Lost Dogs Run (LDR) Adoption Contract

On this date of _____, LDR transfers the following animal _____ with LDR index _____ to _____ living at _____ whose phone number is _____.

By signing this document, the adopter agrees to provide a humane environment for the animal and proper veterinarian care to keep it healthy and also up-to-date on its shots. The adopter agrees that the animal will have access to the house at night for sleeping and a fenced yard or house during the day where it will be safe. The adopter agrees not to leave the animal attached to a line in the yard for more than an hour and not to crate the animal other than for sleeping at night in the house or temporarily in case of an emergency during the day.

The adopter agrees that a representative of LDR can do a home check following the adoption.

If a representative of LDR doing a home visit discovers the animal is not being kept humanely, as described above, LDR will take the animal. If the adopter cannot abide by the above requirements and/or decides not to keep the animal, the animal will be returned to LDR. LDR will be responsible for picking up the animal in the return and the adopter will work with LDR to facilitate this process.
